

Techrider: playmob.il

= Monitor

= Power supply

= Micstand

Chanel FOH	Instrument	Microphone/Stand	Note
1	Audiointerface L		Line Out (jack or chinch)
2	Audiointerface R		Line Out (jack or chinch)
	Voc: playmob.il	<ul style="list-style-type: none"> - I bring Sm58. - Signal goes directly into the Audiointerface. No direct connection to FOH. - I need a boom stand. 	

Table/Keyboardstand

- I need a table (min. 140 x 40 cm) or two keyboard stands with tabletops to put on the controllers, joystick and computer.

PA

- Well sized PA, with enough lowend.
- One microphone stand.
- all the Music comes from Audiointerface LR.

- House engineer who knows the PA and should be available before, during and after the show.

Monitoring

2 Wedges STEREO

Visuals and Light

Light as nice as possible and haze would be nice.

Setup and Soundcheck

15 min. Setup-time.

15 min. Soundcheck

Food and all the rest

i need food (vegetarian), otherwise i'll die.

I need drinks (mostly wather, sometimes alcohol), otherwise i'll die.

I need a wardrobe with a mirror, otherwise i'll be naked sometimes.
